

## BACKFLOW PREVENTION ASSEMBLY GENERAL TESTERS (updated June 2021)

State law requires that any plumbing work exceeding \$500 must be completed by a licensed contractor. The testers on this list have demonstrated their ability to field test Backflow Prevention Assemblies to the satisfaction of the CA-NV section of the American Water Works Association. North Marin Water District assumes no liability for the abilities, performance or quality of work performed by individuals listed. The company or individual utilizing the Backflow Prevention Assembly Tester should determine that the Tester maintains liability insurance.
