TERMS AND CONDITIONS

Clothes washer models listed under Tier 2 and Advanced Tier on the current Consortium for Energy Efficiency's "Super Efficient Home Appliance Initiative Clothes Washer Qualifying Product List" are eligible for this rebate excluding models that use silver ion technology and models listed under Tier 1. Rebate applications with purchase receipt must be submitted to your Participating Water Retailer within 60 days of purchase. The rebate amount varies by Water Retailer. Rebates are available on a first come first served basis until all funds have been expended or June 30, 2022. This program is subject to change or end without prior notice. Limit one rebate per household for a period of five years. The qualifying clothes washer must remain on site for at least six months. Water Retailers reserve the right to inspect the premises to verify installation of the washer. Refusal of inspection or the absence of the washer during an inspection will result in forfeiture or return of the rebate. Please allow up to eight weeks for processing, handling and issuance of rebate. Incomplete applications will be returned. For assistance in determining rebate eligibility, contact your Water Retailer directly at the number listed.
