

HYDRANT METER CHARGES as of 07/2025

\$950.00 deposit (Hydrant Meter) - \$100.00 nonrefundable

\$1,400.00 deposit (Floating hydrant Meter) - \$200.00 is nonrefundable

The security deposit is required prior to installation of the hydrant meter, of which a portion is nonrefundable. The nonrefundable charge is for installing and removing the meter and for costs associated with setting up the account. The refundable portion of the security deposit will be reduced for any repairs or replacement of the hydrant meter should it be damaged, lost or stolen.

\$65.00 Relocation Fee/Moving Charge

Charged when applicant requests the meter is relocated.

Bi-Monthly Service Charge per Regulation 54

\$563.70 Novato Service Area

\$1191.42 West Marin Service Area

Charged whether water is used or not. This service charge is pro-rated if the billing period is less than two months.

Water Rate per 1,000 gallons per Regulation 54

\$10.68 Novato Service Area

\$20.59 West Marin Service Area

Rates are charged per 1,000 gallons for water used and the meter will be read every two months.

Refund of Deposit

\$850.00 Hydrant Meter

\$1,200.00 Floating Hydrant Meter

The deposit less any closing or unpaid charges will be refunded after the meter is returned and the final billing processed.

Damaged Meters

In the event a meter is damaged while in the customers possession the customer will be charged for the cost of materials and labor to repair the meter or replace the meter if it is not repairable.

RESTRICTIONS

Do not remove meter from hydrant. Only District employees shall remove the meter from hydrant, unless it is a floating meter.
